

Trails of Discovery Town Trail Presentation

On the 14th February on a glorious sunny day, The Arts Society South Devon presented the first Town Trail for children created by The Arts Society to the Plymouth City Information Centre on the historic Barbican.

The Trail was presented by Pauline Stewart, Chairman of South Devon Society, to Clare Phillips, the Information Centre Manager, in the presence of David Yates, South West Area Chairman, members of the South Devon Committee, and guests.

The Trail starts and finishes on the Barbican and takes in significant landmarks around Plymouth Hoe including the Mayflower Steps, Drake's Statue and the Armada Monument, and Smeaton's Lighthouse. On completion of the Trail children are given a certificate by the Information Centre to acknowledge their achievement.
